End of Year Concert

On Wednesday 25th November all 20 classes participated in our annual end of year concert; only this year it was a little different. To adhere with the COVID safe practices the concert was moved to the McLaren Vale Institute Hall. The venue may have been different, but the calibre of performance was unchanged. Students danced, sang and told stories through movement, and all students and teachers should be proud of their achievements.

This year we had items ranging from Christmas morning dances, rainforest stories depicted through movement, and even a staff show dance performed by Room 27. This performance used big blown up faces of our McLaren Vale staff and was a comedic hit with both the staff and the students. McLaren Vale student's talent and enthusiasm shone throughout the performances and we are so glad that they were still able to have this opportunity.

The school hired a professional videographer for the occasion so that parents will be able to see their child's performance. This will also enable a lifelong record for families to keep. Each class teacher will be sent a private YouTube link of their classes item. Only people sent this link will be able to view the performance. You will be forwarded this link during week 9 once the videographers have finished editing.

Great job!

Government of South Australia
Department for Education

End of Year Concert

Year 7 Graduation

MATT MILLAR

On Monday 7th December we farewelled our Year 7s in a fantastic graduation ceremony at Lloyd Brothers. It was the perfect way to celebrate a busy year and for many 8 years of schooling at McLaren Vale Primary School.

The graduates treated us to some great speeches reflecting their journey of primary schooling and thanking their family, friends and teachers past and present. We had our annual award winners for sporting, arts and academic excellence, values and a community award.

Academic Excellence: Charley Poolman and Paige Ellis

Sporting Excellence: Mali Lovett and Jake Liddiard

Arts Award: Jasmine Schueller and Izzy Napier

Values Award: Jade Worsley and Summer Craig

Mayo Community Award: Hayley Fowles

Congratulations to all our award winners and graduates for 2020. We wish you all the best and will miss you!

2021 Classes

LYN LANGELOUDECKE

Our school is at capacity for next year with all classes mostly full (26 in R-2 and 30 in year 3-7).

Staff have spent a lot of time carefully considering the feedback in placing children into classes for 2021.

So many factors are involved in constructing classes: friendships, academic levels, students that can't work together, behavioural issues etc. The benefits are twofold. Taking all of this into account, it gives the students the best chances to excel academically and socially. The other benefit is for the teacher coming in. It's not about constructing a class for a teacher but making sure the class is even, fair and will allow them to teach effectively.

There are always adjustments that children need to make in the transition to a new class. The process starts this week with a meet and greet with their new teacher and class mates. We tend to find that this process helps children to feel more comfortable and takes away any stress or worry over the holidays.

Families will be notified of the placement details (year level, teacher and room) on Thursday, accompanied with the end of year report.

LEADERSHIP TEAM

Lyn Langeluddecke - Principal
Leanne Lovett - Deputy Principal
Matt Millar - Senior Leader
Nicky Clark - Wellbeing Leader
Cate Schueller - Literacy Coach
Wendy Lithgow - Maths Lead Teacher

SPECIALIST TEACHERS

April Watt - Japanese
John Lysikatos - Science R-2
Michelle Moore - Science 3/4-7
Emma Sheridan - Science 3/4
Tim Walker - PE
Beck Frears - Performing Arts
Burda Sanders - AET
Victoria Brown - Special Education

OUT OF HOURS SCHOOL CARE

Natalie Wells - Director
Aaron Overstreet - Assistant Director

TEACHING TEAM

Rm 1. Kate Wyatt - Yr - 2/3
Rm 2. Maddy Morgan - Yr - 2/3
Rm 6. Elle Hollis (0.6)/Alex Gabb (0.4) - Reception
Rm 7. Gabby Morgan - Reception
Rm 8. Kym Kleinig - Reception
Rm 9. Sue Higgins - Yr 2
Rm 10. Ange Pedisic (0.6)/ Bernice Sternberg(0.4) - Yr 1
Rm 11. Susie Walker (0.6)/TBA (0.4) - Yr1
Rm 12. Anna Bellomarinio (0.8) /Julie Howard (0.2) - Yr 1
Rm 13. Sally Murray (0.8) /Julie Howard (0.2) - Yr 2
Rm.14. Paula Hodgins - Yr 3/4
Rm. 15. Cate Schueller (0.6)/Kahlie Burt (0.4) - Yr 3/4
Rm. 16. Cheree Gordon - Year 6/7 Rm. 17. Dave Cleggett - Yr 6/7
Rm. 18. Jenny Jones (0.8)/ Kahlie Burt (0.2) - Yr 3/4
Rm. 19. Kylie Van Laarhoven - Yr 3/4
Rm. 20. Simon Lovett - Yr 6/7
Rm. 21. Nicole Irving - 5/6
Rm. 26. Wendy Lithgow (0.8)/ Patty van den Hoogen (0.2) - Yr 5
Rm. 27. Lauren Cole (0.8)/ Emma Sheridan (0.2) - Yr 5

SSO TEAM (KNOWN)

Amanda Marcel - Finance
Mary-Anne Sherriff - Administration
Clair Pavey - Student Services
Marie Groen - Library
Tamara Piec - Kitchen Specialist
Natt Giffney - Garden Specialist
Rebecca Roberts - Aboriginal Community Education Officer
Steve Tilley - Groundsperson
Julie Kelly - Curriculum support
Sharon Proctor - Curriculum support
Lee Honan-Anderson - Curriculum support
Sally Harris - Curriculum support
Belinda turner - Curriculum support
Jess Shaw - Curriculum support

Staff Farewells

LYN LANGELOUDECKE

Delys Finn, a long term SSO is leaving SA and heading to NSW with her husband who has been relocated with work. Delys has held many roles over her 15 years, supporting children in intervention programs and in classes. Delys has had a warm, calm and positive manner with all the children she worked with and saw the very best in all children. She was an asset to our staff team and will be missed.

Olivia Homann, another of our SSOs is leaving to take up an OSHC Director position at McLaren Flat School. Olivia has done an awesome job in building positive relationships with our students and supporting their intervention work. We wish Olivia all the best for her new job.

Yvonne Owen joined our SSO admin team mid-year and is retiring at the end of this year. Yvonne has been a very welcoming face on the front desk and very willing to help at the drop of a hat. We have greatly appreciated the breadth of skills that Yvonne has brought to the position and her thoughtful, kind and friendly manner will be missed. All the best with your new adventures.

A big thank you to Shane Rayner who has held a variety of roles over the past 3 years: Performing Arts, teaching Year 5s and more recently senior Science. The children have enjoyed his passion for teaching science and technology with a highlight being their excursion to the Space School. All the best in the future Shane !

A sad sayonara also to **Schmitt Sensei** who is leaving us to take up a Japanese position at Woodcroft College Junior School. Our Japanese program has definitely had a high profile over the past 3 years with many engaging cultural experiences, including the Japanese Cultural Day/Market, the relationship with our sister school in Osaka and Japanese Club at lunch times. We will miss her dearly and wish her luck at her new school.

Another sayonara goes to **Jack Sensei** who worked with the Reception and Year 6/7 students on Mondays. Jack maintained the flow of the Japanese program for the children. Jack has a years contract at Happy Valley PS and we wish him well in the next phase of his teaching career.

Many thanks to Lyn Scott who started the year co-teaching with Patty with the Year 5s. We know how attached Lyn was to the class and the teaching role and we greatly appreciated her passion, enthusiasm and commitment to ensuring the best for her class.

Many thanks to **Shae Chandler** who stepped into Lyn's role mid-year, teaming with Patty. Always a highly professional, reliable, responsible, and awesome teacher. We will continue to see Shae around MVPS next year as a TRT.

We also farewell **Zoe Ingolby-Craig** who joined our team this term, stepping in to the Year 4 class following Ali Ellis's departure. We have loved Zoe's vibrant, positive and energetic approach, tailoring her program to engage all learners in quality tasks.

....and a warm welcome to our new staff members:

Whilst we say 'sayonara' to Schmitt Sensei this year, we welcome **April Watt** to the Japanese role in 2021. April visited with Belinda on Friday to do a handover and to be part of the final conversation with Belinda and our sister school in Japan. She brings a lot of experience and is very excited to be joining our team. April has been at West Lakes Shore this year and previously at Aldinga B-7 (hence knowing several of our staff already).

Marie Groen, not so new anymore as she began her work in the Library midterm and whilst buried in stock taking at the moment, has settled in well to her new role.

Congratulations to those staff who are continuing in leadership roles:

Cate Schueller who will take on the Literacy Coach Coordinator role in 2021 and working with Kahlie Burrtt.

Nicky Clark - Wellbeing Leader Coordinator will be working 3 days in 2021 Monday -Wed

Wendy Lithgow will continue as a math's coach in a lead teacher role.

BIRTH TO YEAR 12 SCHOOL IN ALDINGA

On Friday the CE announced the structure to the new Birth to Year 12 School in Aldinga. It was timely as we now have information to pass on to our community and more importantly, can assess the potential impact on our school. The school will open in 2022 with 2 classes (52), per year level R-2, 1 class of 30 students per year level 3-6, 7 classes of 184 students per year level 7-8. Families opting to send their child/ren to the B-12 will apply through an expression of interest in early 2021. The school has been officially named Aldinga Payinthe College. Payinthe (/bay-in-di/) is a Kurna Aboriginal word that means 'to seek, look for, examine, be thinking'. The name was chosen following an extensive consultation process with representatives from the local community. Aldinga Payinthe College will accommodate up to 1500 students and will open in term 1 2022. No local government schools will close when the new school opens. The new school is intended to cater for the projected enrolment demand coming from strong population growth in the area.

For more information, visit www.education.sa.gov.au/newaldingaschool

Principal's Report

LYN LANGELOUDECKE

What a Year! 2020 will be the year we never forget. The year has been interrupted by bouts of uncertainty, frustration and anxiety due to the COVID pandemic. Families have had to make adjustments to their lives they never imagined. Teachers have at times had to juggle a curriculum catering for both home and school learning with students caught between the two. Parents, grandparents, siblings became co-teachers setting up makeshift classrooms within their homes and with many on the front line putting themselves at risk everyday so we can stay healthy. Although these uncertain times have brought challenges for everyone, they have also given us all the opportunity to slow down, take a pause and reflect on what is really important in our lives. It's allowed families to spend more time with each. It's allowed our teachers and students to improve their computer skills while attending Google meets, becoming experts on Google classroom and Seesaw. And through all of this, staff have stayed motivated, engaged and totally committed to ensuring our children don't miss out, or get behind in their learning. We thank all of our staff for the unique set of skills that they bring to their work every day. This diversity transpires into all things great for our children and contributes to our collaborative work in leading the learning so as to maintain the high standards attained, pre-COVID.

Whilst we have no NAPLAN scores to boast about, there have been many other indicators of our success. We have stayed true to our commitment to delve deeper into our literacy and numeracy practices and to track our learners to get the stretch for every student. Data collected this year and used for our student reports indicates that COVID has had a minimal impact on children's academic learning.

We have powered ahead to ensure our students were supported emotionally and socially through increased care programs in classrooms and a wraparound model through the support of our Wellbeing team. Showing kindness has been the predominant theme this year which is evident every day in the caring relationships our children show for one another. In fact, our children have shown an enormous capacity to be independent, self-managing and resourceful individuals throughout COVID which we are immensely proud of.

2020
What A Year

A special acknowledgement of the work of our SSO teams and our admin staff that have aligned as a strong and industrious team to improve office operations and services to children, staff and families. They are the heart of our school and we are forever grateful for the high standards that they set. Our curriculum SSOs who are out in the field providing intervention support to our children and working alongside our educators to maximise the learning for every child. Their passion, skill and ability to make a difference is widely recognised by our teaching staff. Our Kitchen and Garden team have had to engineer ingenuity to meet the parameters of the COVID restrictions this year but have provided many rich learning opportunities that have motivated and enthused our keen gardeners and cooks.

Other staff who work tirelessly for the benefit of our children, staff and families include:

Meagan our canteen extraordinaire, who serves up delicious lunches every day and provides a meeting place for our families to share stories and catch up with each other. Les and Niro, our two extraordinaire cleaners who go about their work diligently and always with a smile. Our OSHC team under the amazing leadership of Natalie and Aaron, supported by a diligent team of staff who work tirelessly to provide a wonderful innovative care program for our children and their families. You are an awesome team and worth your weight in gold. ...and lastly, Steve Tilley who is all things to all people at the drop of a hat.

Last but not least our Governing Council members and parent community who volunteer their precious time to be active in our school in a myriad of ways. Your involvement benefits everyone and helps build a stronger support base. We are forever grateful for your support this year. We too have missed the close connection that we had pre COVID restrictions with our families and acknowledge that there were many times throughout the year where families, students and staff had to make sacrifices to their norm of how school looks. However your support throughout this was remarkable, and for that we thank you. We are hoping to return to something more normal in 2021 but are grateful for the health of our SA community and all that everyone is doing to keep us safe.

Vacation Care Program

Dec/Jan 2020/21 Vacation Care Program

McLaren Vale Primary School

Phone: 8323 9217 Email: d10251.oshc@schools.sa.edu.au Opening hours: 6:45am – 6:30pm

- \$55.00 per day
- \$50.00 for bookings received by Friday 11th December
- Excursions incur a fee of \$15.00, added to account
- Incursions incur a fee of \$8.00, added to account

<p>Monday 14th December</p> <p>Wheels Day</p> <p>Bring your bikes or scooters, and remember your helmets!</p> <p>NO HELMET = NO RIDING</p>	<p>Tuesday 15th December</p> <p>Excursion to Horseshoe Bay (school children only)</p> <p>We'll be spending the day down in Pt. Elliott. Fishing, playground fun, foofy, cricket and more.</p> <p>Sausage sizzle lunch provided.</p>	<p>Wednesday 16th December</p> <p>Chess Incursion</p> <p>Come along and learn how to play chess with our guest presenters. A life size chess board and lots more fun activities.</p>	<p>Thursday 17th December</p> <p>Tin Shed Cafe Christmas Celebration Lunch! Tree Climb

ROOMS 14, 15, 18, 19

Tree climb is so much fun. It's a giant park with trees made into fun obstacles. All of my friends enjoyed it and so did I. The grand course is so cool. I found the obstacles challenging. During my stay my mind had been BLOWN! I made the most of my time there. There is a bunch of fun ziplines and so much more. At the start, they run you through a safety lesson so you didn't get hurt. The kids course is fun too, one of my friends did it and said they really enjoyed it and enjoyed the zipline at the end. I was there with all of my friends and they all thought it was really cool. There's so many different courses you can do there's the purple course and the orange course and a million other courses on the kids course and on the grand course there's so many other courses like blue and white. All the ziplines had a big crashing area made out of sawdust, so you don't hurt yourself. At the start of all the courses, you put something that is attached to your harness onto a big line so if you fall off the trees you do not really fall off because it holds you all the time. If you are on an obstacle, you attach another thing that is on your harness to a big line in case the other thing fails. I had never been there before so it was a big surprise and a really fun one. I loved my stay and would want to come back next year.

By Izzy Rom 19

Tree climbing is so much fun there are so many obstacle courses to do and it is very challenging. I like the course that has very different options to do that is yellow, purple and orange. Orange is my favourite because it goes really high and the zipline is also the best thing. It was ok if we fell because we fell into sawdust I'm just saying the saw dust got everywhere, it was so messy. 2 days later, I still had sawdust in my shoes. The grand course was so much fun there were a million different obstacles. My friend and I were in the last group, everybody finished off and we were still on, it was so much fun to tree climb by ourselves. I did not get to go on the grand course because I was too short, but I got some feedback from my friend's apparently she really liked. I hope I can go there next year.

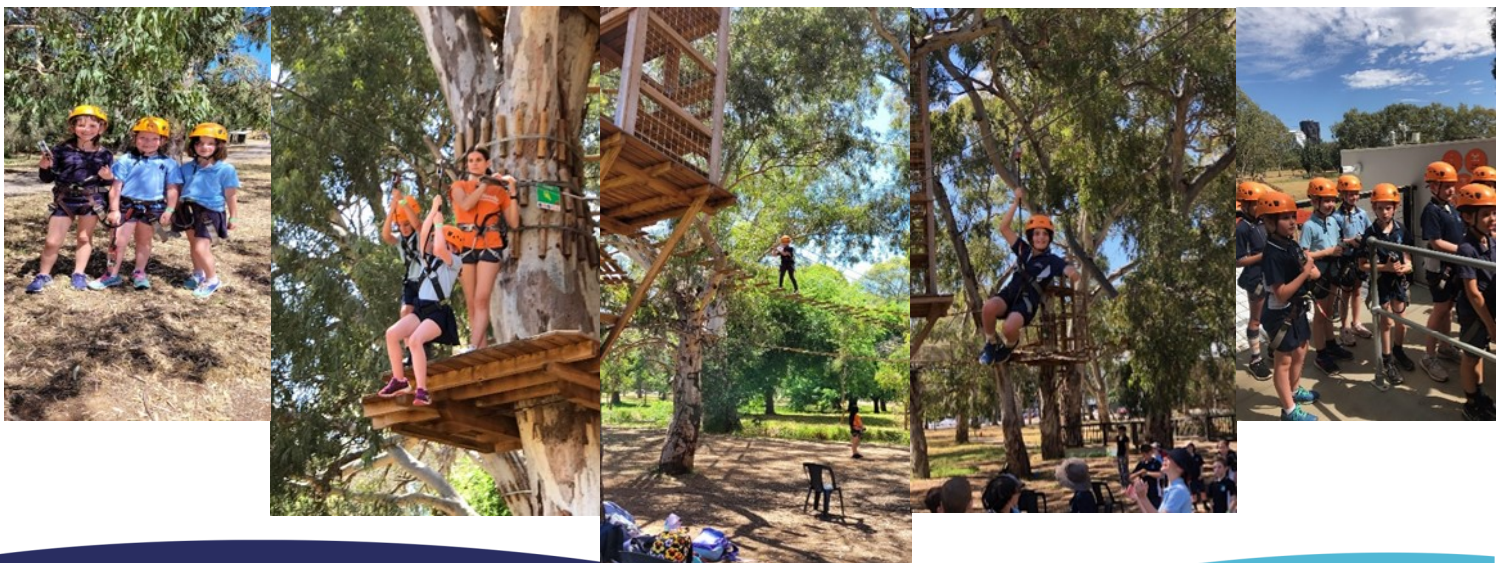

By Breana

Tree climb is super fun and the obstacles are very challenging. The workers strap you up with this thing called a trolley, it is connected to the rope, and that is how you do not fall! I definitely recommend it during the holidays. There is a kids course and a grand course. I went on the grand course because I was tall enough. You need to be a certain height to go on the grand course. There was one obstacle course that was really hard everyone thought it was too! The zipline was super fun as well one person got stuck in the middle of the zipline but the instructor helped him and it was ok. After we went back on the bus and drove back to school. My mum went on the bus there too and she was supporting me when I got scared. My mum made me feel happy and safe. You should definitely go there during the holidays!

By Charlotte

Tree climb is really fun and the obstacles are fun but also challenging. On the kids course the courses are: yellow, purple and orange. The hardest course is orange because it is higher than yellow and purple and has harder obstacles. Some of my friends went on orange - there is an obstacle that swings! To get off there is a zipline where you land on a hill of sawdust so you do not hurt yourself. It is really fun when you land well. I think it is! The classrooms that went were 19,18, 14 and 15. The teachers made a decision that all the year 3s go on the kids course and all the year 4s go on the grand course, but some of the year 3s went on the grand course! When I went down the zipline a man sprayed me! I would recommend going there in the school holidays with your family and friends! Remember it is super fun but make sure you don't fall off!!!

By Harlee

Zoo Excursion

Room 6's Zoo excursion

On Thursday 3rd December our Reception classes travelled by bus to the Adelaide Zoo.

There were lots of excited young students!

The highlights of the day were seeing the lions, monkeys, meerkats, snakes and pandas.

There were lots of tired but happy children at the end of the day!

Many thanks to the parent helpers for your help allowing the excursion to take place.

Tree Climb

ROOMS 26 AND 27

Classes 26 & 27 took part in an excursion to the Adelaide Tree Climb where many conquered their fear of heights and left feeling proud of their achievements. A great day by all with lots of laughs and encouragements with their peers.

A big thank you to the parent helpers who also took to the ropes and climbed with the students.

ATSI Excursion

BURDA SANDERS

LAST WEEK THE ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS AND SOME OF THEIR FAMILY MEMBERS WENT ON AN EXCURSION TO THE NGARRINDJERI PLANT TRAIL AT PT ELLIOT AND THE WHALE WATCH LOOKOUT AT VICTOR HARBOR. THESE SITES ARE ON NGARRINDJERI LAND AND HAVE A LOT OF CULTURAL SIGNIFICANCE. A LOT OF LEARNING OCCURRED AROUND LOCAL PLANTS AND ANIMALS.

A GREAT DAY WAS HAD BY ALL.

Kitchen Garden says Thank You

NAT GIFFNEY AND TAMARA PIEC

From the bottom of our hearts, thank you SO much to all the incredible volunteers who have made our Kitchen and Garden lessons possible this year. We are grateful for your time and good humour as we had fun exploring how to grow organic produce and prepare healthy meals from around the world. We hope to see you all again in 2021!

Wicking Bed Workshop

NAT GIFFNEY

Come and join us for a free workshop on how to make a wicking bed out of an old IBC. This will be a hands-on learning experience as you help us to build 8 wicking beds for our students. When: Saturday 16 January 2021. Facilitated by Steven Hoffner from Wagtail Urban Farm. More details to come.

Please email or call our Garden Specialist Nat to register your interest natalya.giffney830@schools.sa.edu.au or 0417 869 380

The workshop will be capped at 16 people so please register early to avoid missing out!

Private Music Tuition 2021

KAREN PLISKO

Unfortunately private music classes are full for next year. For those families who have already registered, please ensure you have returned the permission and hire agreement forms which were sent home with students recently. Students cannot commence lessons until these forms have been returned.

Farewell

Farewell to the following students and wishing you success and happiness in your new schools.

Paige Kitchen	Ashlee Cocks	Liam Murphy	Georgia Hill
Tom Ainsworth	Mia Contos	Briarna Mitrotasios	Harlee Zimmerman
Zahli Grund	Aida Dansie	Kierah Pope	Emma Carpenter
Oliver Hill	Callan Hamnett	Aleah Price	Brianna Cavallaro
Angus Hollitt	Carys Inkster	Seth Saunders	Finlay Bailey
Daniel Oddie	Sasha Lewis	Saraya Wilson	Mikayla Gale-Vuglar
Madison Rhodes	Eva Romano	Scarlett Glatter	Casey Hodge
Evie Cerullo	Latisha Watkins-Currey	Georgia Hams	Ashton Trowbridge
Jackson Zimmerman	Jordan Avis	Amelia Laan	Liam West-McInnes
		Acacia Trowbridge	Tyler Ifould

MCLAREN VALE PRIMARY SCHOOL STAFF WISH ALL STUDENTS AND FAMILIES A

FAREWELL TO OUR AWESOME GROUP OF YEAR 7 2020 GRADUATES. WE ARE SO PROUD OF EACH OF YOU AND FEEL HONOURED TO HAVE CONTRIBUTED TO THE PEOPLE YOU HAVE BECOME. THE FUTURE HOLDS MANY NEW CHALLENGES WHICH WE KNOW YOU WILL EMBRACE WITH CONFIDENCE AND ASSURANCE. ALL OF THE STAFF AT MCLAREN VALE PRIMARY SCHOOL WISH YOU THE VERY BEST FOR YOUR FUTURE.
