KEY DATES

THURSDAY 9TH DECEMBER

REPORTS ISSUED

FRIDAY 10TH DECEMBER

LAST DAY (2.05PM DISMISSAL)

CASUAL CLOTHES,

NO GOLD COIN DONATION REQUIRED

MONDAY 31ST JANUARY

FIRST DAY OF TERM 1 2022

WEDNESDAY 2ND MARCH

STUDENT FREE DAY

(STAFF TRAINING AND DEVELOPMENT)

SCHOOL LEAVERS WITH MEDICATIONS

IF YOUR CHILD IS LEAVING MCLAREN VALE PRIMARY SCHOOL AT THE END OF 2021, PLEASE REMEMBER TO COLLECT THEIR MEDICATION FROM STUDENT SERVICES EITHER ON THE LAST DAY OF SCHOOL (END OF DAY) OR THE FOLLOWING WEEK. THE SCHOOL WILL BE CLOSED FROM THE 20TH DECEMBER.

****CHILDREN ARE NOT ABLE TO COLLECT THEIR OWN MEDICATION. ****

End of Year Performance

There was a different set up for our performance this year with earlier planning taking into consideration COVID restrictions. We know it wasn't ideal as we all love the twilight on the big stage on the oval, but what was most important was that children got to perform, a parent from each family got to view the performance and a link to the entire performance will be available later this week.

Reception to year 4 students performed their musical 'Pirates of the Curry Bean'. The year 3/4 classes acted out the main roles and the junior primary classes took on the role of chorus members, all dancing to different songs that fit into the musical storyline. We are so proud of our students for pulling together this performance in such a short time. We squeezed a years worth of work into 7 weeks. Thank you also to all the parents that created, made or sourced all of the amazing costumes. Thank you for your support.

Room 26 and 27s performance was a dance to 'Man in the Mirror' by Michael Jackson. It was student led and was born from an idea that represented inclusivity... and it was fully choreographed by Shyla Wallace, in collaboration with a small team of others. The student's enthusiasm and true team effort was commendable.

The senior classes (rms 16, 17, 20 and 21) worked with Nicole Irving producing individual class dance routines: they chose their favourite 5 songs and created a final mash up song. Each class performance reflected their highly practised dance and dramatisation skills and embodied confidence and enjoyment.

Thank you for being part of this event. We have had really great feedback from many parents that they loved the performances and thought that our students shone.

Government of South Australia
Department for Education

Staffing for 2022

Our staff team for 2022 is outlined below. There are still a few uncertainties and as they become known, we will pass this information on. Students have visited their new classes today and where possible, met their next year's teacher. Information about next year's classes is included with the reports going home with students today.

Just a reminder that there is limited scope for moving students - all primary and senior classes are full with just a few spaces across the junior classes.

Changes to classes will only be made in exceptional circumstances where staff or parents can provide information which was not previously known. You will need to provide your request in writing via the front office or by email (dl.0251.admin@schools.sa.edu.au). A leadership member will contact you to discuss.

LEADERSHIP TEAM

Leanne Lovett - Principal

Matt Millar - Deputy Principal

Cate Schueller - Senior Leader

Nicky Clark – Wellbeing Leader

Simon Lovett – Wellbeing Lead Teacher

TEACHING TEAM

Rm 1. Sue Higgins – Yr 2

Rm 2. Sally Murray (0.8) Julie Howard (0.2) - Yr 2

Rm 3. Katina Hawkes (0.8) Julie Howard (0.2) - Yr 2

Rm 6. Amanda Deakin (0.9) Susie Walker (0.1) - Reception

Rm 7. Gabby Morgan (0.9) Susie Walker (0.1) - Reception

Rm 8. Kim Kleinig - Reception

Rm 10. Angela Pedisic (0.6) Alex Gabb (0.4) - Yr 1

Rm 11. TBA - Yr 1

Rm 12. Anna Bellomarinno - Yr 1

Rm.14. Paula Hodgins - Yr 3/4

Rm. 15. Kylie Van Laarhoven - Yr 3/4

Rm. 16. Taniesha Ormsby - Yr 5

Rm. 17. Dave Cleggett - Yr 5/6

Rm. 18. Jenny Jones (0.8) Ali Ellis (0.2) - Yr 3

Rm. 19 Kahlie Burt - Yr 3

Rm. 20. Cheree Gordon - Yr 6

Rm. 21. Trudi Naughton - Yr 6

Natalie Wells - Director

Aaron Overstreet- Assistant Director

Farewell to the McLaren Vale Community

LYN LANGELOUDECKE

Dear families,

Friday is my last day as Principal of McLaren Vale Primary School. There are a mix of emotions from sadness to excitement – and perhaps relief after 45 years as a teacher, consultant, Deputy and Principal. It's been a joy to be the Principal at the Vale for the past five years. There is an energy that inspires you when you come to a place like this - the setting, the culture and the warmth of the community. I am incredibly proud of what we have achieved and am ending my career on a high. The school is in a unique and special place – our team is highly accomplished – we need the best teachers to get the best for every child and we have actively sought this and kept our line of sight on our core work of making a difference for every student, ensuring they experience the joy of learning and are successful in their academic and creative endeavours.

To the staff- a heartfelt thank you for your professionalism, support and friendship. High expectations have translated into highly skilled educators with terrific outcomes for our children. I thank each of you for your passion, goodwill, innovation and the consideration that you show for each other and for every student and family in our community. Our work together has been relentless, but very satisfying knowing we are well positioned in our community as a vibrant and innovative place of learning. I know that our community is very grateful for the boundless energy and wisdom you impart every day for the children in your care.

To our very skilled and knowledgeable **specialist teachers** who add to the eclectic mix through the diversity of programs that they offer. Those essential like Science, Health and Physical Education, Japanese, Performing Arts and Aboriginal Cultural Studies and others like the Kitchen and Garden program, Festival Choir, Wakakirri, SAPSASA, Vale Reps and outdoor education through the camps and excursions – all add to our students having opportunities ...in school and in life, and developing a broad range of skills essential for their future.

Special thanks to the **front office team**, who are diligent, hard-working and so efficient. Our work as leaders is closely entwined with the office staff and we are forever grateful for their alertness and earnestness. A special acknowledgment of Amanda Marcel's work in finance management, leading us through challenging times and cleverly ensuring every dollar counts towards making our school well-resourced, with functional facilities and grounds looking great...to Mary Anne-Sherriff, my Personal Assistant who is highly intuitive and has kept me on track and the staff at the forefront, Clair and Sarah, who are brilliantly attentive and helpful and to our industrious curriculum SSOs out in the field, providing intervention support to our children and working alongside our educators to maximise the learning for every child.

Special thanks to our **Governing Council members** who have been an amazing support for me in my work and in the governance of the school. I have sat on many councils over the years but this would be by far the most productive, connected, knowledgeable and student focussed that I have worked with. My sincere thanks to Kent Brown – always pragmatic, proactive with a lot of common sense. Parent partnerships have been tested during COVID but have been strong in the past – thank you to our wonderful parent community for your involvement and the confidence that you have had in our leadership work. I have appreciated the relationships that I have had with many of you and will miss the connections and the friendship.

And to our **awesome students** who everyday bring sunshine to my life! There are many things that I appreciate about our children; They are confident, happy and full of life and never cease to amaze me with their humour, their big smiles and friendly hellos and so conversant, their genuine interest in asking about my weekend and telling me about theirs, the excitement in sharing their work, their kindness, their politeness and their thoughtful treatment of each other. I love that they come to school every day ready for learning with a desire to be their best...they are all champions and I will miss them terribly....

And lastly, the work of **our leadership team**... working with Leanne and Matt has been an unforgettable experience and I am so grateful for their unconditional support and partnership – their tenacity, hard work and talent has contributed towards our success. Many times we have been tested by the sheer volume and complexity of our work but the strength of our partnership has got us through. I am leaving the school in a good place and timely for new energy and direction. I feel very heartened to know that the school is in excellent hands with Leanne in the top job, along with Matt, Cate and Nicky as the future custodians of McLaren Vale Primary School.

I have many fond memories from my 45 years in education and when you have done something for so long, it's hard to imagine how you will cope when you are no longer doing it – but I am optimistic and of course excited about the abundance of choice I will have in catching up on all those things I love doing but have been time compromised. I live in a beautiful part of the world, close to the sea and love the great outdoors and all it offers; kayaking, stand-up paddle boarding, walking, swimming, gardening, camping and travelling when we can, along with other passions; more yoga, cooking, reading, doing crosswords, catching up on sleep and paying more attention to my family and friends.

In amongst all of this, I am going to continue to do some contractual work with the Department in mentoring new principals, enabling me to utilise the knowledge that I have amassed with 30 years' experience as a Principal.

Again, I want to thank you for your collegiality, friendship and support and all the wonderful memories that I have of our school over the past 5 years! Our paths are bound to cross as a close neighbour and I'm sure I'll be back for a visit and will continue to follow the journey of the school.

Much love, Lyn

Farewells

LYN LANGELOUDECKE

Tim Walker - Tim Walker has worked at McLaren Vale Primary for 20 years, mainly as a PE teacher across the school. Tim has been responsible for countless successful Sports Days, Colour Runs and athletics carnivals. He has run a strong PE program, teaching technical skills to a high level. We thank him for his impact on Physical Education at MVPS and wish him all the best in his well-deserved retirement.

John Lysikatos - Time for John to hang up the boots after a lifetime in education and the last 13 years at McLaren Vale in various roles and ending his career as the infallible Mr John, the science teacher! He has left a big imprint in the minds of our most curious through his lessons and scientific theories and has brought science to life with his practical hands on experiments and investigations. He has helped prepare the next generation of scientists. Great work John. His big heart, thoughtfulness and storytelling will be sorely missed by us all.

Beck Frears - Beck was only with us a short time but she has made a big impression during that time. Beck is a passionate and inspiring teacher who has impacted on the minds and hearts of many of our students. We thank her for embedding a culture of music as a universal language and attainable for all..... and we are grateful that her parting swan song was to orchestrate a musical in the shortest time ever and to sow the seeds for possibly another in the future. A new career lies ahead as a teacher at Brighton Secondary School. Good luck Beck.

Nicole Irving - We wish Nicole all the best as she embarks on her new journey teaching at Aldinga Payinthi College in 2022. Nicole has brought a positive and vibrant energy to the senior team and taught dance successfully to the 4 senior classes. The students have loved Nicole's kind and friendly nature and will miss her dearly. All the best at the new super school!

Shane Rayner - It has been a pleasure having Shane Rayner back this year working in room 20 on Fridays. We have appreciated his calm and kind nature and his high level of professionalism he brings to teaching. Students have enjoyed how he incorporates technology into his lessons. We hope to see him around again in the near future.

Emma Sheridan - We say a "see you again soon" to Emma Sheridan who will be taking maternity leave in 2022. Emma has been an asset to the Year 5 team on Fridays, primary science and taking room 27 full time for the second half of the term. Emma's skilled teaching will be missed next year but we wish her and her family all the best for the safe arrival of their baby next year!

Kate Wyatt - Another baby is on its way, this time for Kate and Ben, their first. It's sad to see Kate leave but she does have a good reason and we are sure to see her back in the future. We thank her for the positive impact she has had in both her teaching and in her generous support always for her colleagues and wider school responsibilities. We wish her and Ben a joyous future with their new bundle of joy.

Claire Paice - A huge thank you to Claire for stepping into room 10 quickly and without fuss under a very sad set of circumstances. The children and families have loved having you as their teacher and you supported them through a very tough time. Thanks for everything you have done this year Claire, we wish you all the best for 2022 and hopefully we will see you around MVPS for some TRT work in 2022.

Elle Hollis - Thanks for all of your work with the reception students and team for the 2022 year. You have done a great job supporting a special group of students in their first year of school. All the best for 2022 and hopefully we see you back as well for some TRT work.

Meagan Walsh - Meg has provided an outstanding service to our community, so friendly, caring, considerate and very flexible in her approach, always ensuring that every child's needs were catered for. The canteen has been the meeting place for many of our parents as well, with Meg ready and willing to provide a listening ear. She has worked tirelessly to provide such a quality service to our community. She leaves big shoes to fill. Thank you Megs: you are worth your weight in gold!

CONTINUED...

Benedict - A special thank you to Benedict who completes his social work placement on Thursday. We hope that he is taking away warm memories of his interactions with the children and staff and is successful in completing his degree. All the very best for the future Benedict.

Congratulations to those staff who are continuing:

Leanne Lovett in the Principal position

Matt Millar in the Deputy Principal position for 2022

Cate Schueller in the Senior Leader role for 2022

Victoria Brown will continue as special education teacher

Several contract teachers have or will be reappointed: Dave Cleggett, Burda Sanders, Paula Hodgins, Cheree Gordon,

Anna Bellomarino, Kahlie Burt, Patty van den Hoogen and Ali Ellis (returning from maternity leave)

Sophie Hunt is returning for term 1 and taking JP science, and then leaving to take maternity leave with her third child

Maddy Morgan is taking a break for first term to do TRT work and will take on the science position in term 2.

....and a warm welcome to our new staff:

Anna Theodosi - coming from Pimpala PS and in the performing arts position

Katina Hawks - coming from Christie Downs and in a 1 year position in a year 2 class

Trudi Naughton - coming from Mt Gambier West and in a permanent placement in a year 6 class

Taniesha Ormsby - coming from Northfield PS and in a one year position in a year 5 class

Luke Sternberg - has won the Pastoral Care position and working Wednesdays and Thursdays within the wellbeing team.

Year 6 and 7 Graduation

MATT MILLAR

This year was a special year in that both year 6s and 7s graduated from primary school in South Australia in the year 7 to high school move. We held the year 6 graduation on Monday and the Year 7 on Tuesday night at Lloyd Brothers, McLaren Vale.

A big congratulations goes to our students for doing a wonderful job speaking and sharing their memories and successes of primary school. They were both wonderful nights and it was a great showcase of our students' talents as well as celebrating our award winners for 2021:

Academic Excellence Award: Kiara Mildred (6), Max Gregor (6), Ava Barrett (7) and Fletcher Harding (7).

Sporting Excellence Award: Mardi May (6), Dylan Mitton (6), Darcy Turner (7) and Chanel May (7).

Arts Award: Ashlee Kenyon (6), Summer Shilling (6), Wesley Schulze (7) and Claire Woodhouse (7).

Values Award: Sophie Wright (6) and Angus Cocks (7).

Mayo Community Award: Tyson Filipenko (6) and Dylan Rundle (7)

Thank you to the teachers who have supported this cohort of 2021; Simon Lovett, Shane Rayner, Nicole Irving, David Cleggett and Cheree Gordon as well as their specialist teachers and former teachers for their hard work and dedication over the years.

A big thankyou also to the families for their support of the school over their child's time at McLaren Vale Primary School, we have valued your contributions and connections to your child's journey.

We wish our graduating students all the best for the next chapter and look forward to hearing about their future endeavours.

Congratulations!

Colour Run

MATT MILLAR

On Thursday 18th November we held our Colour Run for all classes. It was great to be able to host this event again and invite parents back on site to enjoy the atmosphere. This year the 'Events Action Team' spent time getting student voice about the obstacles, music and how the event was organised. These students also helped with spraying coloured powder along the course. An event like this is not possible without the time and effort people put in. A big thankyou to:

- ◆ Our Events Action Team for getting student feedback about organising the event
- ◆ Our parent volunteers who helped spray chalk on the runners
- ◆ The McLaren Vale CFS for helping with the slip 'n' slide
- ◆ Our students and teachers for their participation on the day
- ◆ The front office staff for collecting the flood of money coming in as donations, and
- ◆ Mr Walker for all the time and effort he put into setting up the course

As a result of our fantastic community support we raised **\$7,913.50** to go towards new play equipment. We look forward to being back in 2022 for another successful day.

McLaren Vales Got Talent

LYN LANGELOUDECKE

There were a variety of different acts in this year's McLaren Vale's Got Talent, 35 in total. There was magic, comedy, dancing, singing, piano and guitar playing. All of the student performances were terrific. We were so proud of the students who were very brave and courageous getting up on the stage and performing in front of a packed audience.

We thought that the numbers might be low following on the tail of the school performance night...but they continued to practice and keep their commitment.

A big shout out to our music maestros: Dylan, Danny and Darcy and to our student judges along with the staff who helped out. Thank you to Tyson Filipenko for designing the certificates. Clever work.

It was difficult to choose winners, and in fact they were all winners but in the end we had to choose 3 and the following acts were selected.

Years 5 -7

Eva Worsley Rm 26

Singing: When I was Your Man

Years 2/3-4

Indie Taylor, Sophie Soutar, Breana Grundy Rm 18

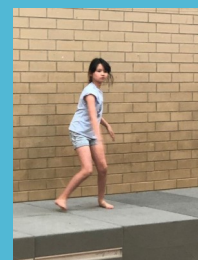

Dance: Low

Years R-2

Macy Whelan Rm 9, Evie Whelan Rm 8

Dance: Friend Like Me

We hope everyone is starting to think about their next year's act!

RRHAN training requirements

MARY-ANNE SHERRIFF

Responding to risks of Harm, Abuse and Neglect (RRHAN) – updated training requirement

Just a reminder to our wonderful volunteers that if you haven't already, please complete the updated RRHAN (formerly Responding to Abuse and Neglect, RAN) training using the link below.

<https://www.education.sa.gov.au/working-us/volunteers/responding-risks-harm-abuse-and-neglect-rrhan-ec-training/how-volunteers-access-rrhan-ec-training>

Once you have completed the training please either email or provide the school with a hard copy of the certificate for our records.

WE WOULD LIKE TO TAKE THE OPPORTUNITY TO THANK THOSE MCLAREN VALE PRIMARY SCHOOL COMMUNITY MEMBERS THAT HAVE COMPLETED THE RRHAN ALREADY AND HAVE VOLUNTEERED THEIR TIME FOR CLASS EXCURSIONS ETC. WE TRULY APPRECIATE YOU.

SkoolBag App for 2022

MATT MILLAR

We will be using the SkoolBag App as a mode of communication to our school community in 2022. Seesaw will still be used by teachers for sharing your child's learning or communicating between the teacher and home.

SkoolBag will provide notifications about all sorts of school events, reminders and upcoming payments, to name a few. Once we have the majority of families onboard then we will begin to create groups to sign up to for more specific information.

Our aim is to have all families on by the start of school next year.

SkoolBag is available from App Stores. You will need to create an account with your email. Once set up:

Click 'ADD/REMOVE +'

Type in McLaren Vale Primary School

Press '+' next to our school name with the logo

The news feed will begin to have posts from our school.

Any queries contact Matt Millar at the school

matt.millar500@schools.sa.edu.au

Trip to the park

ROOMS 26 AND 27, WRITTEN BY SOPHIE POLLARD

On 2nd December 2021, rooms 26 & 27 at McLaren Vale Primary school went on an excursion to a nearby park as a celebration for a great year of learning.

It was a short walk to the park on a beautiful sunny day, perfect for exercise, or as the children of the school call it, playing. It was a small park, with tennis, netball, and basketball courts and rings. The playground was mostly used for chatting, and hardly for playing.

After a couple hours of "the usual", there were ice blocks to share around (they were delicious!). Then, it was just back to chatting and playing.

By the third hour, more people were getting active, and less gossiping. Tennis was popular, as was basketball, but netball people were just TRYING to play PROPERLY on the smallest part of the court.

Before they left, the 2 classes had a photo taken together, all 62 of us! Then we went back to the school and did some quiet activities.

Sophie Pollard

Inflatable World Excursion

ROOMS 1,2,14,15,18 AND 19

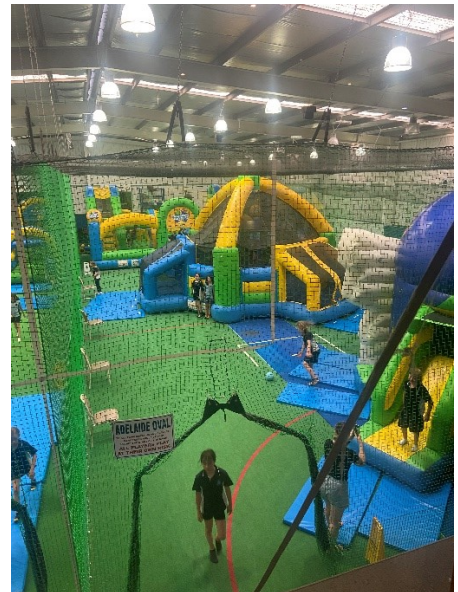

On Wednesday 1st December, Inflatable World was bombarded by 170 + excited students from our school!

As always, it was an amazingly fun, bouncy, exciting and athletic day!

The students showed beautiful manners and a great deal of stamina for how they kept going for a solid few hours. With only a couple of bumps and bruises for a few, we think it was a successful outing.

With wild hair and sweat soaked, the children returned to school and collapsed. Several parents reported that their children slept extremely well that night.

6 Classes on one excursion.... OUTSTANDING!
Well done kids.

Wilfred Taylor Reserve

ROOMS 10,11 AND 12

Year 1 – Rooms 10, 11 & 12

Wilfred Taylor Reserve

On Wednesday 1st December the Year 1 classes went to Wilfred Taylor Reserve at Morphett Vale to celebrate the wonderful year of learning that we have had together. We had lots of fun exploring the playground and using all the equipment such as the flying fox, slide, climbing ropes, tractor and water play area. We had some wonderful parent volunteers join us too.

Zoo Excursion

RECEPTION CLASSES 6, 7 AND 8

"I really liked seeing the giraffes with their long necks and their babies."

Konan (room 6) & Riley (room 8)

"I liked the howling monkeys because they were so noisy." Eden (room 8)

"I liked seeing the pandas eat bamboo." Hugo (room 6)

"I liked the lion and the alligators. When Donna was taking a photo of me the lion roared at me."

Lucas (room 6)

"I liked to watch the meerkats dig."

Braxton (room 8)

"I liked seeing the pandas eat bamboo." Hugo (room 6)

"I liked seeing the animals move." Will (room 6)

"I liked seeing the lion because he was so big." - William (room 7)

"My favourite part was seeing the seals because they did a backflip." Lilly (room 7)

History Walk Excursion

ROOMS 9 AND 13

ON 22ND NOVEMBER ROOM 13 AND ROOM 9 WENT ON A WALK TO LOOK AT AND LEARN ABOUT THE HISTORICAL BUILDINGS IN MCLAREN VALE.

IT IS IMPORTANT FOR THE STUDENTS TO KNOW AND ACKNOWLEDGE THAT MCLAREN VALE WAS AND CONTINUES TO BE THE HOME OF THE KAURNA PEOPLE FOR MANY THOUSANDS OF YEARS.

WE WERE LUCKY TO BE ABLE TO VISIT THE BUILDINGS BUILT BY THE EARLY EUROPEAN SETTLERS OF THE AREA. OUR CLASSES HAVE FAMILY CONNECTIONS WITH 2 OF THE BUILDINGS.

- ◆ THE BARN WHEN IT WAS A WAY STOP ON THE TRACK BETWEEN ADELAIDE AND VICTOR HARBOR, AND AS IT IS TODAY - A RESTAURANT CALLED OGRE.

OUR CLASSES WERE INTERESTED TO SEE THE CELLAR AND TO HEAR THE STORIES OF MR. HARDY AND HIS HORSES.

- ◆ SYLVAN PARK, (PICTURED WITH RESIDENTS OUTSIDE), NEARLY 200 YEARS AGO, AND OUR CLASS VISITING AS PART OF OUR EXCURSION.

IT IS GREAT TO SEE THE INTEREST THAT THE CHILDREN SHOWED IN ALL THE PLACES THAT WE VISITED, BUT THEY TOLD ME THAT THEIR FAVOURITE WAS THE OLD UNITING CHURCH WHICH IS NOW THE SABELLA CELLAR DOOR. THIS IS BECAUSE OF THE STORY OF THE 10-YEAR-OLD BOY WHO DID NOT LISTEN TO HIS PARENTS WHO WERE HELPING BUILD THE CHURCH. HE CLIMBED ONTO THE ROOF TO SEE HIS FATHER AND FELL TO HIS DEATH. HE IS BURIED IN THE GRAVEYARD BEHIND THE CHURCH.

THANK YOU TO THE VEIDE AND WALLACE FAMILY FOR LETTING US VISIT, AND TO MRS. HOWARD FOR ORGANISING THE ICE BLOCKS.

EVERYONE GETS A GAME!

CHEERIO NETBALL CLUB

Now recruiting players for the upcoming winter season.

All players welcome!

Intermediate and Juniors (ages 7-17)
Seniors (ages 18 and above)

Trials will be held at Netball SA Stadium, Mile End
